## WINE OF THE MONTH

### WHITE WINE

Chardonnay *Cahill Lane Vineyard*, Walter Hansel 2018

California, USA

95

*The vineyard is located in the Russian River Valley in California and is sustainably farmed. This is usually the last block to be harvested so it derives much of its richness from an extended hang time. Luminous yellow-gold colour. Nearly full-bodied and with a lush texture and crisp acidity, the wine's considerable palate is something to be enjoyed with flavorful dishes.*

### RED WINE

Frappato, Occhipinti 2018

Sicily, Italy

98

*Located in Sicily's south-eastern Val di Noto province, the Occhipinti family is synonymous with the Frappato in Sicily's only DOCG: Cerasuolo di Vittoria. Arianna Occhipinti kicked off in 2004, making wines in a family farmhouse, before transferring, in 2013, to a purpose-built winery. Remarkably fresh and expressive with amazing red fruit, a herbal lining and a delicious hint of blood orange.*

## SOMMELIER CELLAR RELEASE

### WHITE WINE

Riesling *The Contours* Cellar Museum, Pewsey Vale 2010

South Australia, Barossa

110

*The Pewsey Vale Vineyard was established at Eden Valley in 1847 producing some of Australia's first cool climate wines. Today Pewsey Vale Vineyard is a highly esteemed, specialist, single site estate vineyard with provenance, where Riesling still is their only single focus. The wine is incredibly complex, vibrant and fresh, yet rich and intense from its 10+ years in bottle.*

### RED WINE

Chateau Duhart Milon 2011

France, Bordeaux

250

*This Pauillac estate is owned by Domaines Barons de Rothschild; set next door to its big sister Chateau Lafite Rothschild, they share the same winemaking team. It is a rare estate, because it is one of the few properties in Pauillac without an actual chateau. Instead, it hosts vat rooms, barrel storage, and of course the stars of the show – the vines. Planted predominantly with Cabernet Sauvignon and Merlot, the vines are about 30 years old on average. Upon release, the 2011 vintage scored better than Lafite. Enough said!*
